AERIAL DEVICE TRAINING

The Board of Fire Commissioners of Lakewood Fire District No. 1, in conjunction with Chief Mike D'Elia and Assistant Chief Steve Mulholland, take this opportunity to recognize the dedicated members of the Lakewood Fire Department who completed Aerial Device Training at Toms River Fire Academy. This training consisted of two sessions, one on Thursday, May 3, 2018, and the other on Sunday, May 6, 2018.

Training including classroom as well as hands-on components. It focused upon the many and varied types and facets of aerial device operations. Once again, members of the Lakewood Fire Department took time away from their families to attend this vitally important training. This will no doubt contribute to enhancing the safety of the Township of Lakewood community.
