FIRE SAFETY DAY AT LEISURE VILLAGE EAST

The Lakewood Fire Department held a Fire Safety Day at Leisure Village East on the afternoon of June 3, 2018. The day's activities were coordinated by Fire Commissioner Denise Gregory and Fire Prevention Coordinator Jacob Woolf with the LVE Board of Trustees. In attendance were residents, family members and friends of the senior community. They were able to view Fire Department apparatus and equipment. Presentations were conducted on the use of fire extinguishers as well as on the importance of smoke detectors, carbon monoxide alarms, fire escape planning, etc.

The Lakewood Board of Fire Commissioners, along with Fire Chief Mike D'Elia Jr., cannot overemphasize the benefits of educational presentations and they are extremely proud of all the dedicated members of the Lakewood Fire Department and the professional manner in which they carry out their duties.
