FIRE COMMISSIONERS ANNOUNCE THE DELIVERY OF ITS NEW COMMAND VEHICLE

The Lakewood Board of Fire Commissioners along with Fire Chief Jonathan Yahr are proud to announce the addition of a new Deputy Chief's Command Vehicle to its fleet. This modern vehicle replaces an older unit, enhancing our Fire Departments capabilities to respond effectively to emergencies and coordinate operations seamlessly.

Equipped with cutting-edge technology and ample storage space, this addition underscores our commitment to maintaining the highest standards of service to our community. This new Deputy Chief's command vehicle will serve as a vital asset in our mission to ensure public safety and provide swift, efficient emergency responses. As we continue to prioritize innovation and preparedness, we are confident that this investment will further strengthen our ability to safeguard the lives and property of Lakewood residents and visitors.
